CITY AND COUNTY OFFICIAL PAPER

Chicago cast 46,000 more votes than
New York last week. The course of
empire continues to follow the sun.

A Chicago blind man has eloped with
a blind woman. If anything on earth
can make them open their eyes mar-
riage will do it.

The discovery of an Indiana snake
"as large as the pipe of a No. 8 cook-
stove" probably is due to a scarcity of
No. 1. whisky in that section.

In view of the continued increase in
the deficit, it is rumored that Secretary
Carlisle will recommend an increase
in the tax on beer from \$1 to \$2 per
barrel.

It cost Uncle Sam just \$49,523,932
to transport the mail during the last
fiscal year. Of this amount \$47,993,-
067 was for inland transportation and
the remainder for the foreign service.

Marvelous Results.
From a letter written by Rev. J.
Ganderman, of Dimondale, Mich., we
are permitted to make this extract:
"I have no hesitation in recommend-
ing Dr. King's New Discovery, as the
results were almost marvelous in the
case of my wife. While I was pastor
of the Baptist Church at Rivers Junction
she was brought down with Pneumonia
succeeding La Grippe. Terrible paroxysms of coughing would
last hours with little interruption and
it seemed as if she could not survive
them. A friend recommended Dr.
King's New Discovery; it was quick in
its work and highly satisfactory in re-
sults." Trial bottles free at Tombstone
and any Drug Store. Regular size
50c. \$1.00

Scrofula

Is a deep-seated blood disease which
all the mineral mixtures in the world
cannot cure. S.S.S. (guaranteed purely
vegetable) is a real blood remedy for
blood diseases and has no equal.
Mrs. Y. T. Buck, of Delaney, Ark., had
Scrofula for twenty-five years and most
of the time was under the care of the
doctors who could not relieve her. A
specialist said he could cure her, but
he filled her with arsenic and potash
which almost ruined her constitution. She
then took nearly every so-called blood
medicine and drank them by the wholesale,
but they did not reach her trouble. Some-
one advised her to try
S.S.S. and she very
soon found that she had a real blood
remedy at last. She says: "After tak-
ing one dozen bottles of S.S.S. I am
perfectly well, my skin is clear
and healthy and I would not be in
my former condition for two thousand
dollars. Instead of drying up the poison
in my system, like the potash and
arsenic, S.S.S. drove the disease out
through the skin, and I was perma-
nently rid of it."

A Real Blood Remedy.
S.S.S. never fails to cure Scrofula,
Eczema, Rheumatism, Contagious Blood
Poison, or any disorder of the blood.
Do not rely upon a simple tonic to cure
a deep-seated blood disease, but take a
real blood remedy.

NOTICE

TO ALL WHOM IT MAY CONCERN.
Notice is hereby given, that certain mining
claims called the Tam Roca, McGinty and Par-
agon, situated in the Warren mining district,
and about one-half mile north-easterly from the
Holbrook hoisting works, and about the same
distance from the town of Bisbee, A. T. est. As
the above named claims were not located in
conformity with the U. S. mining law, there-
fore, a second party, at a later date, relocated
the same in full conformity with the above
named laws, and is fully determined to protect
his rights. Therefore, all persons are cau-
tioned not to bargain for, buy or lease the above
named claims.

The National Matte Smelter.

A practical and simple method of matting
sulphide ores, such as nickel, copper, gold and
silver ores. In localities where lead ores and
fuels are scarce and almost unobtainable, our
pyritic, water jacket Matte Smelter has been re-
cognized with highly satisfactory results, and
has been thoroughly tested on various pyritic,
sulphide and arsenide ores, in capacity of 3 to
40 tons per day. It is the most practical,
cheapest and simplest method of gold and silver
ore matting and concentrating that is known
today.
It requires no extraordinary skill, no lead ores,
no fluxing material, and no fuel of any kind for
the smelter after it is started. The sulphur in
the ore is its natural fuel only, and its cost has
no comparison with any other process of con-
centrating.
We are prepared to furnish any size or capacity
plant complete to substantial mining people,
set it up and furnish our men to run it for them
on easy payments. Plans and specifications
furnished with references and testimonials on
application.
